A message from **Life Choices**- For several years generous donors have blessed Life Choices with gift cards for groceries and gas during the holiday season. This tradition has brought much joy and relief to the people we serve. This Christmas we would deeply appreciate gift cards in increments of \$10-\$20. They may be dropped at our office, 155 Merchant Dr., no later than December 9th. Every card makes a meaningful difference and continues a tradition of compassion and support.

There will be a **Thanksgiving Day** dinner this Thursday in the Church Hall. The dinner will be served at 2:00 pm. Come any time after 1:00 pm to enjoy some fellowship and a good meal. You may bring your favorite Thanksgiving side dish, or a pie, or just come. Please see Lynne if you have any questions.

Would you like to spend some time praying intentionally around Advent scriptures? Are you looking for a way to pray that engages your imagination and all your senses, without leaving the comfort of your home? Please join in this retreat in daily life, as we invite you to pray with scripture passages and meditations that open our hearts to Christ's presence in the Advent Season. The retreat begins Sunday Nov 30th. For more information please talk with Chad Roeber, one of the trained spiritual directors leading the retreat. Or go to <https://trp.retreatportal.com/calendar/event?programid=1993> .
