Did You Know

The origins of Advent can be traced back to the church in France.

In the 4th century, the church in France used the period before Epiphany as a time of preparation for Baptism. It was called "St. Martin's Lent" for the 40 days that started on November 11th, feast of St. Martin of Tours.

Advent, as we know it today, was developed in Rome.

Pope Gregory I in the late 6th/early 7th century composed many of the prayers, antiphons, and psalm responses. Many themes and ideas we now know can be traced to the Roman Advent Season.

Prayer for Generosity

*Lord, teach me to be generous,
to serve you as you deserve,
to give and not to count the cost,
to fight and not to heed the wounds,
to toil and not to seek for rest,
to labor and not to look for any reward,
save that of knowing that I do your holy will.*
